NEWS RELEASE - COVID-19 (Coronavirus) #43

City of Lauderhill Opens Tennis Courts at Westwind Park & Prepares to Open a Vaccination Location at John Mullin Park

Lauderhill, FL – January 26, 2021 – 6:00 PM – The Administration and staff at the City of Lauderhill have been vigilant in responding to and planning for the community's needs pertaining to COVID-19 since March 2020.

City Hall and all administrative offices are still open for business, while Parks and Facilities are open with limited access to certain amenities. The Lauderhill Golf Course, City Pools, and Park buildings have resumed regular operating hours, however no unauthorized gatherings of 10 or more are allowed in parks. Some youth sports leagues have resumed play with an approved-for-play COVID-19 plan in place. We are happy to announce the Tennis Courts at Westwind Park have also reopened. Wolk Park Tennis Courts are also open with limited hours. For more information, please call the Parks and Recreation Department at 954-730-3080 or [log on to the Parks and Recreation webpage](#).

All CDC guidelines are being followed in City buildings requiring guests to remain socially distant, get their temperature checked and wear a facemask. Hand sanitizing stations and plexiglass shields have been strategically located around all facilities for the protection of guests and staff. Public Works is following cleaning protocols for frequent and deep cleanings especially in high traffic areas.

City facilities and meeting rooms are not available for board, civic, homeowner association or any other meetings. Commission meetings are still virtual but are also open to the public with a limited seating capacity. We encourage residents to hold virtual community and civic meetings when possible. City staff can be reached at 954-739-0100 for any Department located in City Hall, the Police Department (non-emergency) at 954-497-4700, and Fire at 954-730-2950. Log on to lauderhill-fl.gov for more information on Virtual City Services or to [contact us via e-mail](#).
